FIGMA

## TRAVEL AROUND INDONESIA - 2022

**Platform** : Board Game
**Genre** : Trivia
**Language** : Bahasa Indonesia
Roll the dice, get power-ups, and answer the question. Test your knowledge about every culture in Indonesia.

## ETRIC SERVICE - 2023

**Platform** : Desktop
**Genre** : Interactive Visual Novel
**Language** : English
“Broken electronics? Not to worry, Etric Service to the Rescue!”
Etric Service is an interactive visual novel game where players repair electronic devices. But that's not all—each item comes with its own intriguing story. In Etric Service, you’ll follow Etric as he encounters fascinating experiences while helping customers fix their electronics. Play and dive into the compelling stories behind each repair!

## PROJECT GROW - 2024

**Platform** : Desktop and Mobile (Android)
**Genre** : Resource Management
**Language** : English
Play as a seed tasked with restoring life to a desolate planet. Grow from a tiny sprout to a towering tree, strategically managing water and energy to reach the heavens!

## MAGO THE GREAT - 2023

**Platform** : Desktop
**Genre** : Turn Based, Card Battle
**Language** : Bahasa Indonesia
Mago the Great is a card battle game with a turn-based system, where players are transported to another world to fight enemies using math questions. Players are given several options to attack enemies, starting from the smallest to the largest, with the difficulty level increasing as the number of attacks grows.

## A CAT’S TAIL - 2024

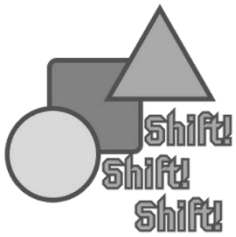

**Platform** : Desktop
**Genre** : rogue-like, shoot 'em up, and hack n’ slash
**Language** : English and Indonesia
A Cat's Tail is a rogue-like, shoot 'em up, and hack n’ slash RPG where players control a feline protagonist, battling enemies and exploring dungeons in a charming 2D world, offering a unique blend of casual gameplay and challenging combat for cuteness enthusiasts and dungeon crawlers alike.

## YOU’RE THE PREY - 2024

**Platform** : Desktop and Mobile (Android)
**Genre** : Horror
**Language** : English
Step into a chilling world where survival meets suspense in a sinister twist on hunting. In "You’re the Prey," you’ll hunt eerie, not-quite-ducks that seem harmless. Balance your resources, upgrade your gear, and stay hyper-aware of your surroundings as you uncover the dark secrets of the Things’ origins. But beware: you’re not the only hunter here, and the watcher in the shadows is playing its own game. Will you reveal the mystery or fall prey to the unknown?

## SHIFT!SHIFT!SHIFT! - 2025

**Platform** : Android
**Genre** : Casual
**Language** : English
A simple shape shifting game where the player has to adjust themselves to the incoming shapes.

## I'M A VENDING MACHINE - 2025

**Platform** : Desktop
**Genre** : Interactive Visual Novel
**Language** : English
"Ever wanted to be a vending machine? Now's your chance! Serve, dispense, and score as many score as you can!"
A game where player play as a vending machine and operate it as the order coming in.

## HOVERRUSH - 2025

**Platform** : Desktop
**Genre** : Endless Runner
**Language** : English
"Control a highspeed hovercraft going through a neon-lit tunnel. Dodge obstacles, collect power-ups, and survive as long as possible!"

## TIME TRAVEL RUN - 2025

**Platform** : Android
**Genre** : Endless Runner
**Language** : English
Endless runner game trough different time periods.

## A CAT'S TAIL - 2025

**Platform** : Desktop & Web
**Genre** : Platformer
**Language** : English
"Believe in yourself, because the game won't."
Trust is a dangerous thing. The game will lie, the platforms will betray you, and your instincts? Yeah, they're probably wrong. Will you believe in what you see? Or will you learn that in this world, trust is just another way to say "game over".

## PAKET MALAM - 2025

**Platform** : Desktop
**Genre** : Horror
**Language** : English
"Sometimes, it's not just about the package. Watch yourself."
In Paket Malam, you're the new package inspector at a mysterious facility. Packages roll in all night long—some allowed, some not so much. Your job is to scan them, inspect the contents, and decide the package is allowed or not.

## ELDEN BALL - 2025

**Platform** : Android
**Genre** : Bullet Hell
**Language** : English
“Fight through waves of enemy, level up, and unlock new abilities!”
Elden Ball is an endless top-down action game where you control a powerful living ball, battling through relentless waves of enemies. Launch your ball with precise aim, slow down time to plan your moves, and survive as long as possible!

## NOSFERUN - 2025

**Platform** : Desktop
**Genre** : Interactive Visual Novel
**Language** : English
“Run and jump through the night as a cute vampire escaping the dawn!”
Nosfe Ratu, the enigmatic Vampire Queen of the shadowed realm, is being relentlessly pursued by a powerful dark mage who commands legions of summoned spirits. Help her escape through treacherous lands, leap over obstacles with SPACE and confront formidable foes that stand in her way!

## ANGKOOT - 2025
